

Note from the Director

We at SOCCER TOUCH ACADEMY are excited to be offering our Winter Academy Program for the 12th year! Within our programs we will continue to focus on the development of all soccer skills needed to be a successful soccer player. In Colorado, our soccer landscape has changed dramatically in becoming a more competitive soccer state, which is creating more opportunities for players to find the right fit and meet their own individual needs. With all these changes in Colorado, our players are being looked at by a huge network of coaches who are willing to place players in the right environment, whether it be at the club level, ODP level, or collegiate level. At **STA** our job is to coach and prepare players for these types of challenges, and we are confident that we can accommodate every player's needs to help make players' soccer goals and dreams a reality. However, if you just want to continue to learn the game of soccer or just need more time to grow as a player, you are still strongly encouraged to join!

We provide very intense yet fun training sessions in which all ages can benefit. We are always challenging each player so we can help them develop a NEW LOVE for the game. **STA** believes that in order to be effective and productive, WE MUST LIMIT our programs to 40 players per session with 4 trainers so we can create a positive and personalized interaction between the players and coaches. If you are looking for an advanced soccer program at a GREAT VALUE, please don't hesitate to sign up! We recommend signing up soon, as these programs will fill up quickly in relation to the small number of participants allowed in each session.

Winter Academy 2020-2021

Academy Dates & Times

Our 2020-2021 Winter Programs will provide a fun and productive soccer training experience. With a highly qualified coaching staff, your experience with STA this winter will be a great one! We will have a lot of passion and intensity added to the trainings which will bring fun and excitement. STA strives to bring innovation and creativity to our academies. Our programs use unique tools to help set our training above the rest. If you are looking for a great soccer experience to keep your skills sharp over the winter, we would love to work with you!

H.S. Girls Pre-Tryout Academy!

STA has revamped its High School Girls Pre-Tryout Academy to incorporate more technical intensive exercises! This camp will spotlight both the physical and mental demands of a rigorous tryout process, preparing the student athletes to showcase themselves as total soccer players. With the coaching staff's experience with women's soccer, STA believes that this will be an extremely beneficial experience for girls who are new and old to the tryout process. STA hopes to teach players ways to display themselves to get noticed on the field, instilling better habits that will help them reach their goals.
